

CSafe™ and AcuTemp® Employees Donate to The Foodbank, Inc.

Dayton, Ohio, USA, December 2011 – Dayton based manufacturers AcuTemp Thermal Systems and CSafe, LLC delivered their donation of food to The Foodbank, Inc. The organization annually distributes five million pounds of food to member agencies that operate 100 feeding programs throughout Montgomery, Greene and Preble counties.

The donation was the result of company-wide efforts to support local charities and the unfortunate within our community. AcuTemp and CSafe employees donated over 400 pounds of 500 items to assist in fighting hunger in the community.

About AcuTemp Thermal Systems and CSafe, LLC

AcuTemp Thermal Systems designs and manufactures thermal management products used to maintain valuable temperature-sensitive payloads at The Right Temperature® during transit. CSafe, a joint venture with AmSafe, Inc., provides FAA approved controlled temperature containers used to move life-saving pharmaceuticals globally by air. AcuTemp products are marketed directly and through an international network of distributors to businesses with temperature-sensitive requirements in the pharmaceutical, biotechnology, public health, defense and transportation/logistics markets.
